

Dear Stakeholders,

Corporate governance, transparency and commitment to ethical values are always our priority as Aklease.

We give importance to act within the framework of the ethical and professional principles of the finance - leasing sector and the rules of professional behaviour in all our business and behaviour.

In this respect, as in many other issues, we have principles that we adopt and apply carefully regarding not giving or receiving gifts. For the sustainability of this approach, we cannot accept gifts from Aklease's stakeholders that may affect our impartiality. We kindly request you to consider this sensitivity of ours.

Kind regards,

AKLEASE
